

### **In English we will learn to:**

- Use time adverbials and past tense verbs to write a recount.
- Continue to use basic sentence structure such as finger space, full stops and capital letters.

This half term we will use Einstein the Penguin by Iona Rangely as a prompt for our writing. We will read lots of other books for pleasure in class story time.

### **In PSHE we will learn:**

- about routines and habits for maintaining good physical and mental health
- why sleep and rest are important for growing and keeping healthy
- how to describe and share a range of feelings
- ways to feel good, calm down or change their mood e.g. playing outside, listening to music, spending time with others
- how to manage big feelings including those associated with change, loss and bereavement
- when and how to ask for help, and how to help others, with their feelings

### **In Computing we will learn to:**

- Use a flow chart to create a simple set of tasks
- Use the 'Block-a-doodle-do' app to create an algorithm.

## **What will we be learning?**

### Year 2 Poplar Autumn 2

### **In RE we will answer the questions:**

- What does it mean to belong to Christianity?
- Why is light important at Christmas?

### **In Science we will learn to:**

- identify the different stages of human life
- understand how animals change as they grow
- understand what animals and humans need to survive
- know what foods keep our bodies healthy and why we need to exercise
- understand why it is important to keep our bodies clean.

### **In PE we will learn to:**

- throw and catch whilst moving into a space
- act as an attacker and a defender
- throw in different ways such as over arm and under arm

### **In Maths we will learn to:**

- use fact families and related facts
- use our number bonds to 10 to help us with addition including number bonds to 100 and adding 3 one-digit numbers
- add and subtract to the next 10
- add and subtract across a 10
- know 10 more and 10 less
- add and subtract 2 two-digit numbers
- compare number sentences
- find missing numbers in number sentences.

### **In History we will learn to:**

- sequence events from our own life
- identify different house types in our local area
- understand how houses have changed over time including the outside, inside, appliances and electronics
- understand how society has changed over time including how many people lived in a house and the role of men and women.

We will also take a trip to Beamish museum as part of our History unit this half term.

### **In Music we will learn to:**

- sing the words to the songs in our Christmas performance.

### **In English we will learn to:**

- Use time adverbials and past tense verbs to write a recount.
- Continue to use basic sentence structure such as finger space, full stops and capital letters.

This half term we will use Einstein the Penguin by Iona Rangely as a prompt for our writing. We will read lots of other books for pleasure in class story time.
