Comments/Content:	All children got to play a variety of dodgeball games.				

Events

Participants2020/21

Due to covid-19 restrictions all face to face events in 2020/21 were cancelled and “in school events” were offered as an alternative. If we have ran any in your school these will be shown above.

Additional comments....

Throughout lockdown between January and March 2021 the partnership has continued to fully support your school virtually with home learning and staff support. Staff have had access to online virtual support ranging from guidance on curriculum issues, strategic support for subject leaders, an invitation to attend network meetings which updated staff on all current guidance, planning and adapting lesson content/ideas and access to our continually updated resource section on our website.

Your school was also provided with weekly activity timetables for EYFS, KS1 & KS2, fun dance routines on a weekly basis that children/staff can follow, and we have encouraged active participation in LK Health & Wellbeing fitness sessions.

In addition, the competition team have encouraged participation in physical activity by offering personal best challenges via social media and signposting your school to participate in the County Durham Virtual School Games.
